Harvard \$3.00 Shoe for Men. Everybody knows that the price of all shoe materials has increased, making the shoe a great deal more expensive than heretofore.

We do not, however, change our prices. We present these shoes, made of the best material, in the best manner, at the same old price, though they cost 💩 us considerably more to produce.

No middlemen or middle factorie or middle prices stand between us and the tanneries. We do the whole business and our customers get the whole benefit.
